**MDPC Calendar Details.**

Start times are "first shots" - Please arrive at least 30 minutes before the scheduled start time to help setup

Events such as corporate and open days may be scheduled for any of the Reserved days on the calendar. Please contact a member of the committee to ensure the range is not being used. (In most cases you'll know well in advance when a reserved day is being used. If the range is not being used it will be open as per normal).

The range is closed on "code red" fire danger days. No member is permitted on MDPC property on these days.

If a Code red day happens on a rostered duty day (eg. working bee, gun roster etc. ) members will not be required to attend.

Members **will not** be fined for non attendance.
